

## Draft Jervis Bay Sailing Club 2024/2025 Roster

If you are unavailable on the day please arrange your own SWAPS beforehand. The strong preference is to have at least two persons on board for the duty. This is safer and helps meet risk assessment requirements. It is up to the person assigned for the duty to arrange for a partner, helper or assistant. Contact Merv, very early in the week of the duty, or earlier, to get him send out bulk SMS messages to all members if you are struggling to find someone.
