

## Draft Minutes Advantage Handicaps for Race on 10 May 2025

NB: Competitors can sail with various rig variations. There is only a single minutes advantage handicap for each yacht. Sail size yardsticks are used for the races in the Championships and Sprints Series. Any late adjustments or additions to the handicaps should be advised to the starter (on land or on the water) by the **senior club member** who has authorised the change to avoid confusion. Please change the sheet on the notice board. Handicaps for infrequent starters can get out of date.

Sail No.	Boat Name	Class	Skipper	New Minutes Advantage
852	tba	Spiral	Richard Lonsdale	37
216	Laser 3	Hunter 216	John Anderson	36
